MORE ABOUT YOU
<p>Tell us about your passion for airgunning and why you think you embody the Daystate/ Brocock/MTC brands</p>

If you're applying for sponsorship as a competition shooter, tell us about your experience of competition shooting – i.e Where you shoot, how often, which competitions you have entered and results, how long you've been shooting, which competitors do you plan to enter in the next year? The more you can tell us the better...

If you're applying for sponsorship as a reviewer, tell us more about your interest in airguns - i.e whether you're a hunter, plinker or just like to shoot a few targets at the range. If you're a hunter, where do you hunt, what quarry do you seek, do you have any permissions, how long have you been hunting? If hunting isn't your thing, then tell us more about the way you use your air rifle, where you do it and who with?

(Leave blank if applying for sponsorship as a competition shooter)

Tell us about your experience of the web and social media. For example – if you have a blog please write the link below, how long have you been posting etc.

The serious stuff

Yes / No

Finally, we want to remind you that if your application is successful, you are obligated to observe the laws in your country as they relate to the safe and secure storage and use of air rifles.
